SalePoint Announces ATH Network Certification for Puerto Rico

FOR IMMEDIATE RELEASE.

Sacramento, California August 24, 2006

Paul Streicher, President of SalePoint, Inc., announced today that SalePoint's J-Point cashing software had achieved certification for credit and debit card processing via the ATH Network in Puerto Rico. The certification was performed by EVERTEC Inc., a Popular, Inc. company, which enabled SalePoint to provide credit and debit card processing integrated with the deployment of J-Point at Sistema Universitario Ana G. Mendez.

"The addition of integrated credit and debit processing with EVERTEC is a key benefit to our customers in Puerto Rico" said Streicher. "EVERTEC is the leading transaction processing and technology solutions company serving a wide array of clients in the Caribbean, Central and South America. EVERTEC also provides ATM solutions for the US market."

About SalePoint

SalePoint is headquartered in San Diego, California with offices in Sacramento and Columbus, Ohio. SalePoint with over 150 customers worldwide provides software solutions for the specialty retail, healthcare, higher education and public sector industries. The company's customers include such leading names as Pacific Sunwear, Spencer Gifts, Kaiser Permanente, Cato Corporation, the University of Chicago and Puerto Rico Aqueduct and Sewer Authority ("PRASA").
