## **Parkland Health & Hospital System Implements SalePoint's J-Point Cashiering Solution**

### **FOR IMMEDIATE RELEASE.**

Sacramento, California January 31, 2007

Paul Streicher, President of SalePoint, Inc., today announced that Parkland Health & Hospital System has implemented SalePoint's J-Point point of service collection software.

Streicher stated, "We are pleased to have Parkland Health & Hospital System join our growing list of J-Point for Healthcare users."

### **About Parkland Health & Hospital System**

Parkland Memorial Hospital is a public, tax-supported institution located in Dallas, Texas. It is the primary teaching hospital of The University of Texas Southwestern Medical Center and is often rated among the 25 best hospitals in the United States.

Because of its affiliation with the medical school, paying and non-paying patients alike have access to high quality medical care. Parkland's history of patient care dates back to 1894 when it served only indigent patients.

Parkland's Trauma and Burn centers enjoy international recognition. The hospital is also recognized as a premier training center for physicians. Its medicine, surgery and ob/gyn programs continue to contribute to the new body of knowledge in improved patient care.

### **About SalePoint**

SalePoint is headquartered in San Diego, California with offices in Sacramento and Columbus, Ohio. SalePoint with over 150 customers worldwide provides software solutions for the specialty retail, healthcare, higher education and public sector industries. The company's customers include such leading names as Pacific Sunwear, Spencer Gifts, Kaiser Permanente, Cato Corporation, the University of Chicago and Puerto Rico Aqueduct and Sewer Authority.
