SalePoint Expands Healthcare Solutions Offerings with CAM32 Pharmacy Point of Sale Solution

FOR IMMEDIATE RELEASE

Austin, Texas – December 28, 2009

SalePoint today announced that it has entered into an agreement with CAM Commerce Solutions to resell CAM's CAM32® Pharmacy Point of Sale solution to pharmacies and healthcare providers in North America.

"We are pleased to add the CAM32 Pharmacy Point of Sale solution to our product offerings," said Larry Haworth, CEO of the company. "Recently we announced the addition of KioskWorks® and PatientWorks® to our healthcare solution offerings. The addition of a pharmacy point of sale solution provides us with a more complete product suite and the ability to offer healthcare providers a more comprehensive range of solutions. Our objective is to be a leading provider of healthcare software solutions."

About SalePoint

SalePoint is headquartered in San Diego, California with branch operations in Sacramento, Austin and Columbus, Ohio. SalePoint is a leading provider of high value business solutions to the retail point of sale, corporate retail, higher education, healthcare, and public sector industries. SalePoint's staff is experienced in implementing cashiering, point of sale, and corporate applications. The company provides a complete solution ranging from hardware and software to services required to define, implement and fully support the installed solutions. The company's customers include such leading names as Pacific Sunwear, Spencer Gifts, Kaiser Permanente, Cato Corporation, the University of Chicago and Puerto Rico Aqueduct and Sewer Authority.

About CAM Commerce Solutions

CAM Commerce designs, develops, markets, installs and services highly integrated retailing and payment processing solutions for small to medium size traditional and eCommerce businesses based on the company's open architecture software. These integrated solutions include credit and debit card processing, inventory management, point of sale, accounting, Internet sales, gift card and customer loyalty programs, and extensive management reporting.
