SalePoint Appointed to HP Store Solutions Elite Partner Program

FOR IMMEDIATE RELEASE.

Austin, Texas – December 14, 2009

SalePoint, Inc., a software company providing leading solutions in specialty retail, healthcare and higher education, today announced that the company has been appointed by Hewlett-Packard as an Elite Partner Program member for Store Solutions.

The Elite Partner Program for Store Solutions was announced by HP on September 30, 2009 and was formally rolled out beginning on November 1st. The program is established for top point of sale partners that deliver end-to-end solutions, are knowledgeable in POS and who can deliver complete services including implementation and integration.

Larry Haworth, CEO of SalePoint, stated “We are very excited to be recognized by HP as an Elite Partner. Our commitment to our customers, focus on our products and services and our extensive experience with point of sale has enabled us to achieve the recognition. With a 20 year history in the industry, SalePoint remains a leading provider of retail solutions. We are proud to deliver high customer satisfaction, strong customer support, and low total cost of ownership for our customers. We look forward to a strong partnership with HP.”

About SalePoint
