SalePoint Appoints Tekserve POS as Reseller

FOR IMMEDIATE RELEASE.

Sacramento, California January 5, 2007

Paul Streicher, president of SalePoint, Inc., today announced that SalePoint has entered into a distribution agreement with Tekserve POS, LLC that allows Tekserve POS to resell SalePoint retail software. Streicher stated "We are pleased to have Tekserve POS join our indirect sales channel. The Tekserve POS team has a history of working with a large number of retailers and providing them with systems for their stores. A logical extension of their business is to expand its retail software offerings."

"This partnership with SalePoint completes our POS software package," says John Pruban, president of Tekserve POS. "Integrating our C-Co software with the SalePoint applications creates a comprehensive enterprise solution for retailers. It was a logical step to team up with them."

About Tekserve POS

Tekserve POS, LLC, is a leading provider of point-of-sale hardware, software, maintenance and professional services that help retailers achieve a competitive advantage in their businesses. Headquartered in Hoffman Estates, Ill., Tekserve POS serves more than 500 customers across North and South America. Other divisions include Tekserve Mexico and C-Co Technologies (www.tekservepos.com).

About SalePoint
