

## **Higher Education Solutions Sales Executive**

SalePoint currently has an exciting opportunity for a confident, assertive self-starter to sell best in class software and services to colleges and universities.

The person we're looking for is a "hunter" who has a successful sales track record and a "closer" with experience selling software to the higher education market.

The Sales Executive will be responsible for developing new business opportunities and will be supported by technical and marketing resources.

Position will be located in San Diego, Sacramento, or Austin.
