# Trovato™

**Flexible, Secure, Complete, Point of Sale Solution**

*"Trovato gives us an unmatched enterprise-wide point of sale platform that is flexible, mobile, easy to use and delivers out-standing customer service!"*

## THE COMPLETE POS SOLUTION

The Trovato Point of Sale Suite is a complete solution for today's retailer. Trovato's comprehensive package offers a comprehensive transaction set and a wide array of payment options including EMV and secure Credit and Debit, in addition to Gift Card and House Charge. The POS Register, Mobile POS, Back Office, Host Chain Management and Enterprise modules are highly configurable to meet the needs of a growing retailer.

## Customer Focus

Retailers face increasing challenges to stay competitive in today's world. In the end it's all about the Customer. Whether it's a fast, accurate and simple checkout, or linking to SalesForce.com$_{tm}$ or Micros Relate$_{tm}$ loyalty, our solution meets the challenge. Electrify your customer's shopping experience with Trovato!

## Unleash The Power—Mobile POS

Our new browser mobile POS solution provides an efficient, flexible register application designed to run on any hardware platform. It can function as a traditional POS, mobile line buster or mobile POS. The browser POS can be deployed on a variety of tablets, smart-phones, phablets or computers and share peripherals to reduce costs.

## Solid & Secure

Trovato delivers a secure solution that protects your customer's data. Our TransArmor$_{TM}$, Verifone Point$_{TM}$ and Tender Retail$_{TM}$ end to end encryption solutions provide complete protection. Trovato is PA-DSS compliant, supports US and Canadian EMV and is designed to protect your customer's information.
